Rebuilding the infrastructure of  
investments and advice

# Integrations

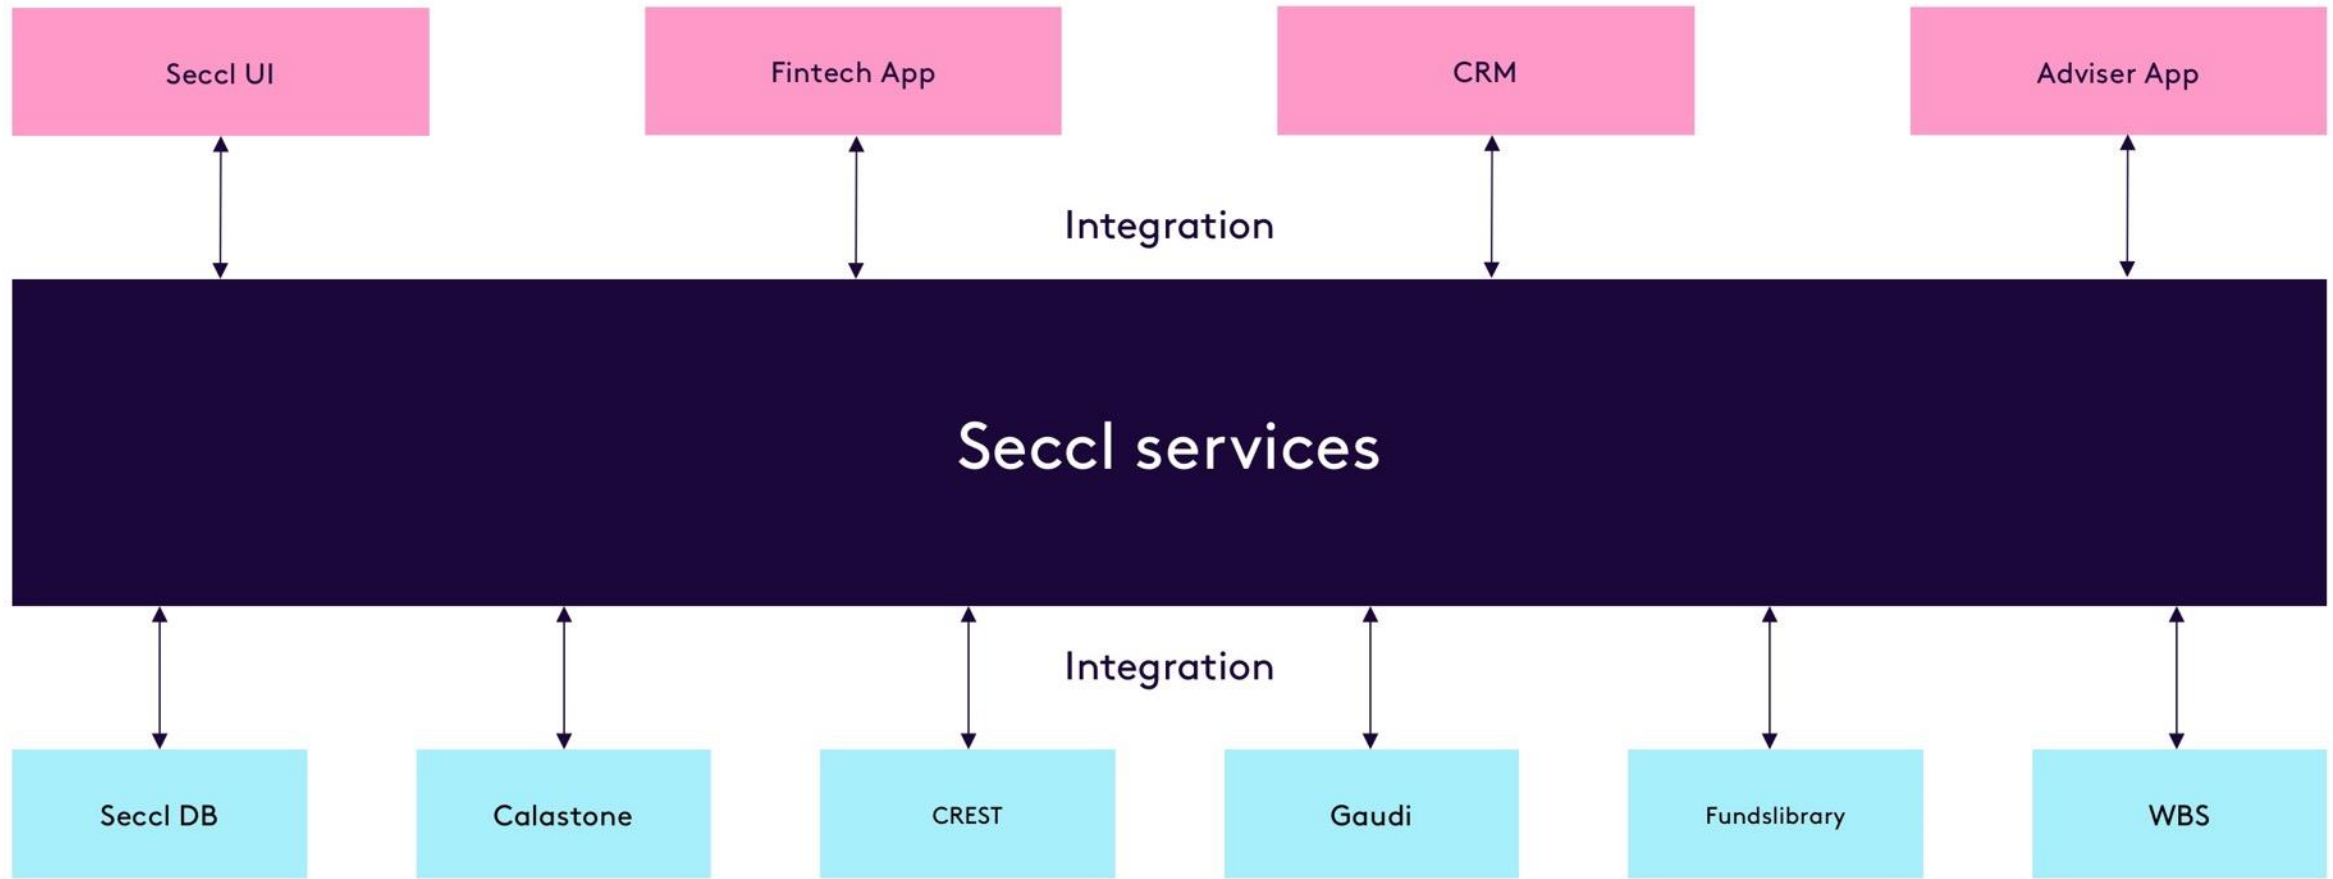

# A brief history

## Our approach

1. Architect to integrate
2. Architect for change

# Our approach

# Partners and formats

# Challenges

- 1 Commercial
- 2 Configuration
- 3 Build
- 4 Regulatory responsibilities
- 5 Testing & sign-off

Future

GOCARDLESS

stripe

 mongoDB

# Future

- Simplified commercials
- Completely self serve
- Extensive documentation
- Sandbox environments
