

Press Consulting: Patrick Hayward

Senior Consultant

Biography

Patrick joined the Altus General Insurance (GI) practice as a business architect in 2017, having worked for Aviva and DLG in technical claims and legal roles.

With over 10 years' experience in GI, he supports our insurer clients with large-scale strategic, operational and regulatory change projects. Patrick actively supports thought leadership at Altus through research, developing white papers, engaging with new technology suppliers and contributing to trade publications. He participated in the 2016 CII New Generation Programme and was a board member for the Society of Claims Professionals from 2018 to 2020.

About Altus

Altus was founded in 2005 with a mission to speed up financial services through insightful consulting advice and superior technology. Altus supplies specialist consultancy services and market-leading automation software to over 100 clients in the insurance, investment, pensions and wealth management sectors. Its software has been ISO 27001 accredited since 2017. Altus became part of Equisoft in July 2021.
