

Press Consulting: Darren Briaris

Digital Consultant

Biography

With over 20 years technical experience in Financial Services, Darren has witnessed the change from on-premise, green screen mini and mainframe systems to cloud based, serverless and Software as a Service offering.

Darren works with FS companies of all sizes on transformation programmes and legacy modernisation, specialising in Application architecture and cloud technologies. Helping to design architectures with modern technologies that fit the differing business strategic needs for the future. Darren is particularly focused on the current trend of serverless technology and how this could revolutionise the efficiency and agility of FS companies.

About Altus

Altus was founded in 2005 with a mission to speed up financial services through insightful consulting advice and superior technology. Altus supplies specialist consultancy services and market-leading automation software to over 100 clients in the insurance, investment, pensions and wealth management sectors. Its software has been ISO 27001 accredited since 2017. Altus became part of Equisoft in July 2021.
