

Press Consulting: Sarah Bateman

Digital Consultant

Sarah Bateman

Digital Consultant

Biography

PhD in Nuclear Physics = problem solver, analytical thinker and storyteller. Dragged from physics research by the sharks encircling Cambridge during the dot com boom (oh, but it was fun!). From coder to security architect to innovation (and many things in between), Sarah has been firmly rooted in tech ever since.

Technical Architect and business solutions professional with over 20 years' industry experience of architecture, strategy and management, acquiring comprehensive technical skills and knowledge. Leading various stages of the project, product and customer lifecycle, specialising in data visualisation, UI design, proof of concepts and demonstrations. Sarah enjoys having a positive impact on customer implementations and experience.

About Altus

Altus was founded in 2005 with a mission to speed up financial services through insightful consulting advice and superior technology. Altus supplies specialist consultancy services and market-leading automation software to over 100 clients in the insurance, investment, pensions and wealth management sectors. Its software has been ISO 27001 accredited since 2017. Altus became part of Equisoft in July 2021.
