

# Press Consulting: Jon Dean

## Head of Retirement Strategy

### Biography

Jon has over 30 years' experience in financial services. From a start in workplace final salary schemes pre A-Day, he has since worked across the spectrum of employee benefits, life companies and investment platforms, addressing a wide range of technology and business challenges throughout a period of huge transformational and regulatory change.

Since joining Altus in 2010, Jon has been helping clients on strategic change programmes, working with them to optimise their operations and shape new propositions. His recent work includes advising on platform operating models, technology selections, merger integrations and options for new pension product launches.

Jon is passionate about creating better financial outcomes for the underserved mass market and using the power of investing to address climate change and other pressing global issues.

Follow Jon on Twitter - @JDAltus, for shared news, insight and opinion on technology and the impact on financial services

### About Altus

Altus was founded in 2005 with a mission to speed up financial services through insightful consulting advice and superior technology. Altus supplies specialist consultancy services and market-leading automation software to over 100 clients in the insurance, investment, pensions and wealth management sectors. Its software has been ISO 27001 accredited since 2017. Altus became part of Equisoft in July 2021.
