

Press Consulting: Chris McCullam

Investment Platforms Director

Biography

Chris has responsibility for leading the Investment Platforms practice within Altus; building relationships with senior leaders, driving and developing thought leadership and market commentary to understand the challenges faced and ensure our skilled and knowledgeable people continue to deliver for this growing and evolving sector. Chris has been working in Financial Services for over 20 years, covering a wide range of business transformation projects across different product distribution models. Joining Altus in 2009 he has spent most of his time working for a variety of investment and platform businesses; using his experience of advice, distribution and architecture method to help shape technology and operational transformation in response to regulatory and strategic changes. Chris is passionate about making sure projects and programmes deliver the right changes by having a clear, structured view of what the business is seeking to achieve.

About Altus

Altus was founded in 2005 with a mission to speed up financial services through insightful consulting advice and superior technology. Altus supplies specialist consultancy services and market-leading automation software to over 100 clients in the insurance, investment, pensions and wealth management sectors. Its software has been ISO 27001 accredited since 2017. Altus became part of Equisoft in July 2021.
