Kevin Okell – Managing Director

Biography

Kevin began his career as a software developer in the 1980s and worked on a wide variety of IT projects. He became convinced of the ability of technology to transform Financial Services and founded Altus in 2005 with that aim.

Kevin has helped Altus become an integral part of the investment platform landscape both as a supplier of technology and operationally focused consultancy. He has developed an extensive network of senior contacts across the investment sector spanning providers, distributors and technology firms. He is now one of a small number of expert judges of the prestigious Schroders Platform of the Year award and is a regular commentator on platform developments.
