

**Chris Gill – Product Manager**

## Biography

Chris joined Altus in 2009 and has helped several customers to integrate with Altus solutions. Chris now manages the ongoing development and extension of Altus core trading products, the Altus Funds Gateway (AFG) and the Altus Investment Gateway (APG).

With over 15 years' experience in financial services, Chris started his career in insurance at Acturis, he was in charge of delivering software integration with all major insurers via different routes. These included the first ever Polaris imarket integration, bespoke web service integration and EDI with personal lines insurers.
