A 'Dominic Cummings'
is now a golfing term.
It's a really long drive
that goes way
out of bounds,
but there's no penalty.

  **WORLD DRYER**
Drying Paper Towels
Invented 1920, Patented 1921

Dryers help protect the environment.
They save trees from being used for
paper towels.
They eliminate paper towel waste.
They are more sanitary to use
than paper and help maintain
cleaner facilities.

IF DONALD TRUMP HAD CAPTAINED THE TITANIC

- There is no iceberg.
- We won't hit an iceberg.
- I knew it was an iceberg before anyone else knew.
- No one knows icebergs better than I do.
- The penguins brought the iceberg here.
- No one could have predicted the iceberg.
- We cannot allow an iceberg to stop our ship.
- The crew is spreading fake news about icebergs.
- Some of you have to drown.
- I am the best captain, ask anyone.

'All your friends will be thrilled to see you. I'm sure you'll have fun. It's time to go back to the office, dad'

One of the British national daily newspapers is asking readers "what it means to be British?". Some of the emails are hilarious but this one from a man in Switzerland —

"Being British is about driving in a German car to an Irish pub for a Belgian beer, then travelling home, grabbing an Indian curry or a Turkish kebab on the way, to sit on Swedish furniture and watch American shows on a Japanese TV. He buys a holiday home in Spain, skis in France, fancies Swedish birds and has a Romanian au-pair.

And the most British thing of all?
Suspicion of anything foreign ".
