

Giving your platform wings

State of the platform market

David Ferguson, Nucleus

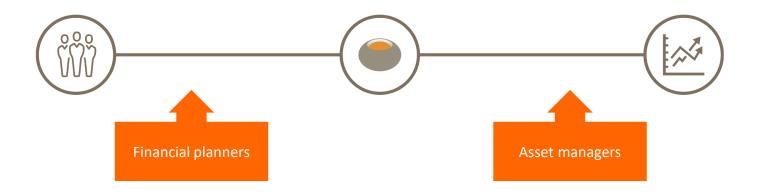

Success breeds complacency.
Complacency breeds failure.
Only the paranoid survive.

Andy Grove, former Intel CEO

I will try harder in class I will try harder in class I will try harder in class try harder in class I will try harder in do try harder in class I will try harder in of stry harder in class I will try harder in class try harder in class I will try harder in harder in class I will try harder in harder in class I will try harder in harder in class I will try harder harder in class I will try harder in harder in class
